Changes may be made as needed by the Swine Council in cooperation with the Portage County Randolph Senior Fair Board. Exhibitors will be notified of any changes. (01/2020)

The responsibility of knowing and understanding any and all rules pertaining to the Portage County Randolph Junior Fair shall belong to the junior fair exhibitor and their parents/legal guardian.

Anyone attending events either as an exhibitor, advisor, volunteer, parent, spectator, superintendent, judge, committee member or fair official must conduct themselves in a manner consistent with the Code of Conduct and according to the Rules and Regulations of the Portage County Agricultural Society, DBA Randolph Fair. The Code of Conduct and Rules are not limited to the show ring, but are applicable to any location on the fairgrounds and to any event held at the Portage County Randolph Fairgrounds including, but not limited to meetings, workshops, clinics, contests, shows, county fair, etc. (02/2013)

Another Portage County Jr. Fair Exhibitor within the same species may show in the market class or in the sale, but not both.

Any Jr. Fair Market Exhibitor that will miss either market show or sale must submit a form to the Sr. Fair Board Market Livestock Committee for review. OUTSTANDING MARKET EXHIBITOR (01/2012)

The Swine Council will keep records and track each exhibitor's efforts to reward an exhibitor in each of the three age divisions (Junior, Intermediate, and Senior) with an award of Outstanding Market Exhibitor (OME) and an Overall Outstanding Market Exhibitor for the one with the highest score. An exhibitor is eligible for the Outstanding Market Exhibitor award regardless of any previous winning of the award. An exhibitor's total score is the sum of their score in each of the three competitions described below. The Overall Outstanding Market Exhibitor award is given to the exhibitor with the highest total score. Each exhibitor earns their score based on the following point system. (01/2020)

Skill-a-thon – 80 points (02/2014, 02/2016)

A written test to evaluate the exhibitor's knowledge of the swine project will be given to each exhibitor. The person scoring the highest will be given 60 points. Their actual score will be adjusted to equal 60 points. All other participants' scores will be adjusted by this same adjustment amount (example: top test score actual points = 55. $60 - 55 = 5$ -point adjustment, which will be added to all scores).

Hands-on stations worth a total of 100 points will be set up on skill-a-thon night to test the exhibitor's knowledge and understanding of their market swine project. Each exhibitor's score will be pro-rated down to the maximum 20 points (total stations score x .20) which will then be added to the test score to achieve the 80 possible points. (02/2014)

Showmanship contest – 100 points (01/2012) (01/2023)

The hog shown by the exhibitor in the Showmanship contest will be designated as the OME hog. Only the points from its placing in Showmanship and Market classes will be used in the determination of the OME award. In order to be eligible for the OME award, the OME hog must be shown by the exhibitor in showmanship and market classes themselves. The exhibitor will receive their points from the age division contest according to the following schedule;

Age division placing

1 st place	100 points
2 nd place	95 points
3 rd place	90 points
4 th place	85 points
5 th place	80 points

All other participants-70 points

(Updated 01/2024)
